

Are you at least 18 years old and on the Autism Spectrum? Do you want a chance to win Bose noise cancelling headphones AND a \$15 egift card?

**Win a pair of Bose
Quiet Comfort 25
Noise Cancelling
Headphones!**

(a \$299.99 Retail Value)

The ARC Lab at Clemson University is conducting a study about perceived object use. We are looking for participants to take our survey. The survey only takes 15-20 minutes to complete. By completing the survey and providing your contact information, you will be guaranteed a gift card worth \$15- your choice of VISA or Amazon. You will also be entered into a drawing to win a pair of Bose Quiet Comfort 25 Noise Cancelling Headphones (Retail Value: \$299.99). Each valid response you provide will be counted as an additional entry into the drawing. If you have any questions about the study, please contact Dr. Jennifer Bisson at jbisson@clemson.edu.

We thank you for your participation.
