

Now Recruiting For: Couples & Kids with Autism Study

Participate in paid research at TCU and SMU!

Your family can earn up to \$250.

What is the purpose? To better understand the strengths and challenges of families raising a child with autism spectrum disorder. You are the expert! We want to learn from you.

Who is eligible to participate? Children with a community diagnosis of ASD (high-functioning, between 10-17 years old) and both their parents (married or cohabiting) are welcome to participate!

What is required? This is a longitudinal study. Children's ASD diagnosis will be confirmed at an initial visit. Next, families will visit our lab two times, approximately 6 months apart. Families can choose to participate at our TCU or SMU site.

How do I sign up? For the TCU site in Fort Worth email tcufaces@gmail.com. For the SMU site in Dallas email famhealth@smu.edu. Or visit us at couplesandkidsdfw.com.
